Both Members of downtown Oshawa, **Thomas O'Malley**, lawyer and speaker, and Author of Canadian Divorce and Separation Made Easier, and **Rana Banik** (*Ron for short*), Director of Sales at Resource Software International (RSI) joined us last night at the Thirsty Monk Grill Pub.

Lots of interesting chatter 'round the bar with David Tuley, Downtown Oshawa Development Officer and Tony Vander Baaren, Vice-Chair of the Board, and our two newcomers Thomas and Ron! Marriage, politics, and communication solutions swirled around until Nikki Henderson and Ian Tweedle arrived from Strut ~ the boys at the bar lost me then as I joined Nikki and Ian to discuss their amazing blow out sale on her fall and winter clothing.

David, Tony and Ron had to run eventually so Thomas joined us and we really had some interesting conversation.....*sorry, you'll have to come out to find out more about all that!* All I can say is that I found out Thomas isn't from Missouri, **but he should be!** He's the "show me" kind of guy.....a no nonsense and walk the talk approach to finances and life in general ~ rather refreshing really. Cell phones, dog walking and kids needing transportation cut our evening short as Nikki was on call for all three.

Boston had been waiting patiently at Strut while Nikki and Ian visited with the Downtown Biz Club ~ what they don't really know is that Boston marked down a few select pieces of clothing from the sale rack for me.....*good dog!*
Strut Nouveau located at 14 King St. E. (905) 725-0308

Don't miss our next gathering ~ it's a nice way to meet other downtown business people you haven't yet had the pleasure of meeting. It's lively conversation, story telling and sharing ~ no pressure to join the Board or a committee! You'll find support from others that understand the dynamics of downtown, and you'll find out you're not out there all alone trying to make a go of it.

The venue will change from time to time ~ **April's gathering will be at Mexico Lindo if they are successful in getting their liquor license!** If you haven't tried them out, put it on your to do list ~ their food is amazing! The Diamond Grill, and Coffee Culture have asked to host our socials, so stay tuned to see where we go! Always posted on the downtown website downtownoshawa.ca
