

# DOWNTOWN OSHAWA

# BIZ CLUB

---

In spite of the driving rain and wicked winds, a few of us made it up to Mexico Lindo for last night's Downtown Biz Club ~ *special thanks to those of you that braved the weather in an effort to support the group!*

Since the majority of the group had not been to Mexico Lindo before, they enjoyed sampling the delicious food and refreshing drinks ~ Owner/Operator Julia was pleased to remind us that she is now licensed and served us amazing Margarita's and Sangria in glasses we promised not to steal.

A lively group as usual, discussions moved around the table from who knows who and from where.....to really silly jokes, to the merits of having hissy fits at least twice a year. Newcomer "Martin", soon to open a café in downtown Oshawa hung around to get the feel of the Downtown Biz Club ~ *I hope our antics didn't scare you off Martin!*

Optimistic advice from our banking guests (TD and Royal), heart warming stories about owning pets instead of having children, and Julia's Spanish lessons gave us all a break from the stresses of the day. All in all, a nice diversion before heading home on a stormy night.

May's Downtown Biz Club, Monday May 11<sup>th</sup> will be at Mexico Lindo's again, giving the Membership a second chance to visit if the weather kept anyone from attending last night. **Julia's grand opening party is Thur. May 21<sup>st</sup>**. Grab your sombrero and come on out to enjoy authentic food in a spirited Mexican atmosphere! More details about her event to follow ~ Mexico Lindo is located at 74 Simcoe St. N. 289-240-7722.
