## AUTOFEST KICKOFF

This year Autofest kickoff was held Friday 26 August. The bands that were featured were a mix of local and non-local talent. Starting the evening was the Tone Dogs. This three piece band focuses on Texas Rock n Blues. The band, coming from Markham, have been performing in the GTA since 1994. As the audience can attest, this band is dedicated to the authenticity of its sound and enthusiasm for Texan Rock n Blues.

Next to perform was local Eric Lambier. Eric is not only a resident of Oshawa and plays all over the Durham region, he has also worked in the business with some very talented musicians. He has toured and co-wrote with Shania Twain, performed on Jay Leno and played with Johnny Reid. Some of you may know Eric for his Elton John Tribute Performance that he is doing at the Academy Theatre in Lindsay. It is undeniable that Eric and his band play a variety of music from Rock and Roll, Rock n Blues to Country. Eric has a dynamic stage presence. We are looking forward to his new CD of all original material.

The evening ended with Johnny Max. This band truly has a love for the Blues. Johnny fully believes that there is more to creating great music, watching him perform, it is easy to see that he strives to give his best with each performance. His style includes engaging the audience so they feel "part of the experience".

It is obvious that this musician does not always follow traditional Blues, but has chosen to include aspects of Soul to his music. Max's new disc, It's A Long Road, exemplifies his diverse talents. His music show influence of "Gumbo R&B, nods to Rock'em Sock'em Soul, and hints of all-out Boogie work-outs and Tom Waits styled tonalities".

## YOU LOOK MARVELOUS

You Look Marvelous has brought a new service to downtown Oshawa. Specializing in Micro-Pigmentation also known as permanent make-up, Dana, the owner/operator has created a lovely welcoming atmosphere at 31 Bond Street East. When you walk into her establishment one really feels at ease. She felt there was a niche to fill and the opportunity arose.

Dana has lived in Durham Region since 1975 and chose to open her business in the downtown because of the positive changes she has noticed over the years, with the opening of the new Courthouse as well as the interest and movement of the University into the City of Oshawa, the atmosphere is changing for the better. "Even the parking is better" than it has been in the last 10-15 years.

**You Look Marvelous will be having their Grand Opening with  
Mayor John Henry  
Tuesday September 20th at 3 pm.**

In conjunction with the Grand Opening, Dana is having a Grand Opening draw that you can start entering immediately by stopping in at 31 Bond Street East. The lucky winner will get to choose one micro-pigmentation service for Eyebrows OR Upper Eyeliner OR Lower Eyeliner.

New to You Look Marvelous they also offer Reflexology and Reiki as well as coming in November / December 2011 Dana will be offering scar and camouflage services including re-pigmentation for Breast Cancer survivors. More information can be found on her website at [www.youlookmarvelous.org](http://www.youlookmarvelous.org)

# MAGNOLIA HAIR SALON

Situated beside Coffee Culture is Magnolia Hair Salon. Magnolia is new to the area with having opened their doors at the end of June. Owner Tracey decided to open her salon in the downtown because she has seen the positive changes that have been happening in Oshawa's downtown over the past few years and wanted to be a part of the new downtown. Another reason for choosing the downtown to open her salon is that 'she prefers the older town feel versus the new suburban atmosphere found in the malls and strip malls'.

We wish you all the best Tracey!
